

Equal Opportunities, Inclusion and Diversity Policy

Kingston Child Contact Centre

Our organisation is firmly committed to equal opportunities and diversity in all areas of its work. We believe that we have much to learn and profit from diverse cultures and perspectives and that equal opportunities and diversity will make our organisation more effective in meeting the needs of all our community.

We are committed to developing and maintaining an organisation in which differing ideals, abilities, backgrounds and needs are fostered and valued and where those with diverse backgrounds and experiences are able to participate and contribute. We will regularly evaluate and monitor our progress towards equal opportunities, inclusive practices and diversity.

We will ensure that all Child Contact Centre users and referrers are aware that we have equal opportunities, inclusive practices and diversity policies, which they can see upon request.
